

Dear Clerks of Monthly Meeting Worship and Ministry Committees,

We write to you on behalf of SEYM Worship and Ministry Committee about a project to create inter-visitation between Monthly Meetings, Preparatory Meetings, Worship Groups and Unaffiliated Meetings of SEYM. In our desire to strengthen relationships among Meetings, we are asking Worship and Ministry and/or Ministry and Council Committees to identify and recommend a Friend(s) within your Meeting who might have an interest in and leading to worshipping with Friends in other Meetings. Their main role would be simply to be present.

Our vision is that a team of two to three individuals from each of four SEYM regions will work together to visit each Meeting in a geographical region (see below) at least once or twice a year. The visitation teams will be made up of Friends from different Meetings within a region. The team approach will divide the burden of travel such that each individual team member need visit only two or three other meetings, but at the same time assure that each Meeting within the region is visited by someone. Visitors will present themselves as being with the Visitation Project under the care of SEYM Worship and Ministry Committee.

Individuals selected will need to meet the following criteria: Visitors need to be familiar with and supportive of SEYM, willing to commit to travel to two or three Meetings during the course of one year, be a member or regular attender of a Meeting, and be willing to meet with a committee for clearness from their Meeting prior to recommendation. One or more representatives from the SEYM Worship and Ministry Committee will meet with or conference call with the teams to provide further support and to assist with any other organizational details.

SEYM Worship and Ministry Committee would like to move forward with this plan in as timely a manner as possible within the limits of Quaker Process. Please contact Nancy Triscritti at [RRecovery@aol.co](mailto:RRecovery@aol.co), with your Meeting's recommendation(s) and we will be in touch with him/her promptly. Thank you for placing this on your W & M agenda and bringing it forth to your Meetings.

In the Light of Christ,

Nancy Triscritti and Wendy Clarissa Geiger, co-clerks SEYM Worship and Ministry Committee
